### What are you selling (product description)?

Georgia is the South reinvented. We're proud to show the world all the sights and experiences which can only be found here. As the (unofficial) capital of the Southeast, Georgia stands out for how it lives up to expectations—and how it defies them. With big cities and small towns, a diverse population, thriving arts and culture, and a geographical range from the mountains to the beach...there's a lot more to Georgia than our peaches. Our state constantly redefines what it means to be southern through the places, perspectives, and people that make Georgia so unique.
