

Welcome to  
**KINGS INN**

Catch a Wave of Hospitality

Family-owned and family-friendly, Kings Inn San Diego has thrived in Mission Valley for more than 50 years. When it came time to re-imagine all that Kings Inn was and could be, we decided to highlight California Beach Life in the 1960's. We recently completed a full remodel of our hotel rooms, lobby, restaurants, banquet rooms and pool area. Our goal was to keep and to enhance our mid-century charm with nostalgic surfer inspired decor while adding 21st century comforts like amazingly fast free Wi-Fi and bedside USB ports.

From our Mid Century beginning to the new Millennium, we have never lost sight of how to care for our guests. The amazing people who work here make Kings Inn a favorite place to stay in San Diego and their friendly and thoughtful service remains our top priority. They are the jewels in the crown.

Whether visitors are coming to San Diego for business or the beach, Kings Inn provides an ideal location, exceptional amenities and a fun and relaxing setting to experience all that America's Finest City has to offer.
