WESTERN MONTANA’S
Glacier Country

Montana’s wide-open spaces are home to natural wonders like Glacier National Park and Flathead Lake—the largest freshwater lake in the western U.S.—while our charming communities welcome visitors with warm hospitality, authentic adventures and endless outdoor recreation that can only be found in the heart of Big Sky Country.

SPECTACULAR UNSPOILED NATURE
• Crown of the Continent—Glacier National Park
• Wildlife in its natural habitat
• Blue-ribbon trout streams and glacial-fed lakes
• National wildlife refuges and expansive forests
• Flathead Lake, the largest freshwater lake in the West

BREATHTAKING EXPERIENCES
AND AUTHENTIC ADVENTURES
• Tour Going-to-the-Sun Road on a historic red bus or Sun Tour
• See Whitefish Mountain Resort on a chairlift or zip line tour
• Cast a line on the Clark Fork, Bitterroot and Flathead rivers
• Bike the Going-to-the-Sun Road in spring and fall
• Cowboy up on a horseback trail ride

WARM WESTERN HOSPITALITY
• Experience cowboy culture at a local rodeo
• Soak up the Old West at a guest ranch
• Meet the American Indian nations in Montana
• Uncover culinary secrets with farm-to-table dining
• Historic lodges, luxury guest ranches and branded hotels

**GETTING HERE**

With two airports—Glacier Park International (FCA) and Missoula Montana Airport (MSO)—getting to Western Montana is easy. In addition, Amtrak’s Empire Builder arrives daily from Chicago and Seattle, with stops in Cut Bank, Browning, East Glacier Park, Essex, West Glacier, Whitefish and Libby. For regional or multistate driving tours, Western Montana’s Glacier Country is easily accessible and navigable, with Interstate Highway 90 running east and west and U.S. Highway 93 running north and south.
