

Dear IITA Members and Attendees,

A Warm welcome to IITA 2023 from Tourplan

It is great to be here. We are delighted to be a part of this international event and look forward to connecting with you!

This is an exciting time for tourism as the industry continues to rebound, grow and adapt at a rapid pace, globally. Never before has travel and tourism technology been such an essential tool for Tour Operators and Destination Management Companies.

Tourplan is the world's leading software solution, used by 400 Tour Operators and DMCs in 70 countries. Many of these companies have used Tourplan for over 20 years. Our network of global offices on 5 continents ensures that our clients have access to local experts and premium services in every time zone across the world.

Tourplan offers a fully integrated solution with advanced functionality to handle all aspects of a Tour Operator or DMC business. Automate your entire workflow from traditional and online purchasing, sales and bookings, through to operations, accounting, financials, and management reporting.

Tourplan is a complete system, designed specifically for tourism enterprises large and small. If you would like to schedule a personalised demo: sales@tourplan.com - or stop by the Tourplan desk to discuss your specific business requirements.
